

Village of Spring Lake Voters

The current Village Charter was adopted by a vote of the people in 1997. The Village Charter calls for the question of revising the Charter to be put to a vote of the people in 2017. This question is on the November 7, 2017 ballot. If Village voters choose to revise the Charter at the November 2017 election, in 2018 Village residents will elect members of a Charter Commission which will review the Charter and make recommendations to amend the Village Charter. The recommended revisions, if any, would be placed on the ballot for Village residents to vote on at the November 2018 election.

The November 7 ballot question is not related to the August 2017 election regarding amending the Village Charter to allow for disincorporation.
