

## **Angela Stanford-Butler**

DDA Director, Village of Spring Lake

For more than 30 years, Angela has been working with clients to build, promote, and manage their business brand. As a former Creative Director, she has extensive experience in design and the strategic development of creative communication solutions across multiple channels. Prior to joining the Spring Lake Village in 2018, she worked with local, regional, and national brands in the education, financial, health, manufacturing, and retail categories. Angela earned a BS in Advertising/ Communications from the University of Illinois. Originally from Chicago, she and her family moved to Spring Lake in 2006 to live and love the Spring Lake life!
