

### **2019 Fall Leaf Pickup**

The Village of Spring Lake will provide the fall leaf pickup program beginning October 28 thru November 27. **Leaves must be raked onto the street and off of the lawn, except for the leaves on M-104 (Savidge Street) ~ leaves must be bagged.** The hose on the vacuum truck is limited in length; therefore, piles on the lawn are hard to reach.

### **JUST A REMINDER**

In the beginning of the leaf season, leaves don't seem to drop that fast making pickup times more frequent. Village crews should be around more than once weekly in the beginning of the season. As the leaf season progresses and leaf fall is heavier, Village crews should be picking up your leaves one time per week. Remember the Village crew works on a specified route with the intent to pick up everyone's leaves the same number of times.

**The Village Leaf Truck cannot pickup landscaping waste, ornamental grasses, sticks, brush, lumber, etc.**

### **M-104 (Savidge Street)**

Residents on M-104 (Savidge Street) will continue to bag leaves for Village crews to pickup. The Village crew will do their best to remove leaves on a weekly basis.

### **QUESTIONS**

Residents with questions are asked to contact the Village Hall during normal business hours at 616-842-1393 or email Mary Paparella at [mary@springlakevillage.org](mailto:mary@springlakevillage.org).
